1. About ...Organizer Name...

- 1.1. ...Organizer Name... (together with its subsidiaries, ".....", "us" or "we") offers its customers a range of services **including lead generation and customer relationship management for facilitate a brainstorming session among professional of various fields to leverage their networks and expertise, Promote synergy in day-to-day professional routines through shared knowledge and collaboration.**
- 1.2. We are a service provider to our customers, most of whom are students, small businesses and non-profits. Our services help our customers design and send email newsletters, share them on social networks, manage lists of contacts and marketing preferences, and track email campaign results. We analyze that information and send communications to customers' contacts only at the direction of the customer who provided the information, and only on that customer's behalf. We do not have a direct relationship with the recipients of our customers' emails ("Contacts" or "you").

2. Contact Data Provided by our Customers

- 2.1. Our customers upload lists of their contacts, including their email addresses, names, and other contact data, into their Constant Contact account (Email Account) in order to use our products. We may also collect our customers' contacts' demographic data. Our customers may use our platform and technology to send email campaigns to people on their contact lists. Constant Contact does not share contact lists uploaded by a customer with any of its other customers, nor do we email to our customers' contact lists for our own purposes.

3. Contact Data Provided by You :

- 3.1. Constant Contact will have your email address and other contact data under the following circumstances:
 - 3.1.1. If you sign up to receive emails from one or more of our customers, including by means of a sign-up form or link;
 - 3.1.2. If you register for an event held by one of our customers; or
 - 3.1.3. If you otherwise submit your email address to our customer by means of a product or service offered by Constant Contact.
- 3.2. Email campaigns sent from our platform may include a web beacon that allows us to determine, on behalf of our customers, if you open an email, as well as the email delivery status and your geographic location. Email campaigns may also contain other tracking technology that allows us to determine what you click on in an email and if you unsubscribe or change your subscription preferences. This web beacon and other tracking technologies also allow us to collect log data, including your IP address, browser type and version. We share information about email delivery, email opens, email clicks, and subscription preferences, as well as aggregated information about browser types, with our customers so they can optimize their campaigns, customize offerings to you, understand your level of engagement with them and any other uses the customer describes in its online privacy policy.
- 3.3. Please note that web beacons may be refused when delivered via email by disabling HTML images or refusing HTML (select "Text Only") emails via your email software. Other tracking technologies used in our email campaigns are only activated when you click on a link in an email or otherwise interact with content in an email, and you may opt out of such data collection by not interacting with emails sent from our platform.
- 3.4. We may also collect data about the devices that are used to access our customers' websites including IP address, type of operating system and the content that is viewed on our customers' websites and how users navigate between our customers' webpages.

4. Use and Sharing of Customers' Contact Data

- 4.1. We will never email our customers' lists of contacts for our own purposes. We provide information we collect about your interaction with the email that was sent using our products and use it in connection with our security and compliance programs.
- 4.2. We may also disclose your personal information as required by law, such as to comply with a subpoena or other legal process.
- 4.3. We are located in, and store and process your information in, the **Republic of India**, although we may use service providers outside the **Republic of India**. When we transfer your information to service providers, we do so in compliance with applicable privacy laws.

5. Choice/Opt-Out

- 5.1. All emails you receive through our platform include an easy, automated way to stop receiving emails. If you wish to unsubscribe or update your profile, simply click on the Unsubscribe, and/or Update Profile links at the end of any email you receive from a Constant Contact sender.
- 5.2. **If you believe you have received an unsolicited commercial email from us on behalf of any of our customers, you may report it to us or consider the same as fraud email.**

6. Requests Related to Your Personal Information

- 6.1. We does not own the contact lists or databases held by our customers. We are the "data controllers" or "businesses" (to the extent such privacy laws apply to them) to send emails on their behalf and to assist them with fulfilling data subject rights requests made directly to them, such as correcting or deleting an individual's contact information. If your personal information is held in a Constant Contact customer's database, it is our customer's responsibility to deal with your request in their role as a data controller and to the extent necessary, we will support them.
- 6.2. If you have a query or would like to make a data subject rights request under applicable privacy laws, we recommend that you reply to the email address on the communication you received for further contact details and information as we are unable to provide any additional information about our customers.
- 6.3. Constant Contact is responsible for the Processing of Personal Data it receives, under each Privacy Framework, and subsequently transfers to a third party acting as an agent on its behalf.

7. Notification of Changes

We may update the information on this page at any time, so please review it frequently. If we decide to change this privacy notice in any material way, we will notify you here, by email, or by means of a notice on our websites. In all cases, your continued use of any Services constitutes acceptance to any such changes.

8. Intellectual Property Rights

- 8.1. All materials, presentations, recordings, and content provided during the Event remain the sole property of the Organizer.
- 8.2. Participants shall not reproduce, distribute, or commercially exploit any Event content without prior written consent of the Organizer.

9. Privacy and Data Protection

- 9.1. By registering for the Event, Participants consent to the collection, use, and processing of their personal data for purposes related to Event administration (a Non Commercial Event), communication, and historical record-keeping.
- 9.2. Personal data may be shared with third-party service providers solely for the purpose of executing the Event.
- 9.3. The Organizer shall adhere to applicable data protection laws and maintain reasonable security measures to protect Participants' data.
- 9.4. Participants /Contacts may participate as per their own wish, without any commercial usage.

10. Indemnification

- 10.1. **The Organizer, organizing the Event, agree that there shall be no indemnification will be provide, since it will be webinar format and free of cost.**
- 10.2. This clause shall survive the conclusion of the Event and remain in full force and effect.

11. Arbitration, Governing Law and Jurisdiction: These Terms shall be governed by and construed in accordance with the laws of India. Any dispute, controversy, or claim arising out of or relating to this Agreement, any related agreement, or the validity, interpretation, breach, or termination thereof including claims seeking redress or asserting rights under applicable law shall be resolved through arbitration in accordance with the provisions of the Arbitration and Conciliation Act, 1996, as amended by the Arbitration and Conciliation (Amendment) Bill, 2024. The arbitration shall be conducted by a sole arbitrator appointed mutually by the parties, failing which the appointment shall be made by an arbitral institution designated under Section 11 of the Act. The seat and venue of arbitration shall be Bengaluru, Karnataka, and the proceedings shall be conducted in English. The award rendered shall be final and binding on the parties and enforceable in any court of competent jurisdiction. The courts at Bengaluru shall have exclusive jurisdictions for all matters arising out of or in connection with the arbitration proceedings, including interim relief under Section 9 of the Act. Nothing in this clause shall prevent either party from seeking injunctive or equitable relief from a court of law where such relief is necessary to prevent serious and irreparable harm. The parties agree that arbitration shall be conducted in a manner that ensures minimal court intervention, promotes institutional arbitration, and adheres to the time limits prescribed under Section 29A of the Act, including any extensions granted by the arbitral institution.

12. Entire Agreement and Amendments:

These Terms constitute the entire agreement between the Participant and the Organizer regarding the subject matter herein and supersede all prior understandings, representations, or agreements, whether oral or written. The Organizer reserves the right to amend these Terms at any time by posting the revised terms on its official website; such amendments shall be effective immediately upon posting and binding on Participants who register thereafter.

13. Acknowledgment:

You affirm that you have read, understood, and agreed to abide by these Terms in full.
